Dear Capitol Event or Exhibit Planner:

This information is provided to help you plan an event or exhibit at the Capitol. We hope the information is of value. Included is a section on *Procedures* for the use of the public areas of the Capitol; maps, forms, and other information designed to help you prepare an event or exhibit; and instructions on how to schedule an event or exhibit. You can also find this booklet on the Internet, at www.milegislativecouncil.org/lcfa/lchome.

The Capitol is the very symbol of the state and one of its most recognizable buildings. These procedures are designed to ensure the safety of visitors and tenants alike and to protect the building—a historic treasure—for the future.

Capitol Facility staff will be happy to assist you in planning your event or exhibit. If you have further questions, please call:

The Capitol Events Coordinator

(517) 373-9617

or e-mail: ttrowhill@legislature.mi.gov

By working together, we can help ensure the success of your event or exhibit. We encourage questions as the best way to avoid problems.

Jerry Lawler
Executive Director
Michigan Capitol Committee

INTRODUCTION

Read the *Procedures* on the following pages carefully. Understanding them will reduce the chance for a last minute problem. The *Procedures* are divided into the following sections:

What Are the Public Areas of the Capitol?

I. Other Definitions: What is an Event? An Exhibit? A Partisan Political Event?

II. General Conditions Governing **All** Interior and Exterior Public Areas of the Capitol

III. Conditions Governing Only the **Interior** Public Areas

IV. Conditions Governing Only the **Exterior** Public Areas

V. Conditions Governing Scheduling Events and Exhibits

VI. Appeals

If you still have questions after you have read the *Procedures*, contact the Capitol Events Coordinator at (517) 373-9617.

PROCEDURES FOR THE USE OF THE PUBLIC AREAS OF THE MICHIGAN STATE CAPITOL

Public and Other Areas of the Capitol

The public areas of the Capitol are under the jurisdiction of the Michigan Capitol Committee. All other areas of the Capitol are under the jurisdiction of either the Senate, the House of Representatives, or the Executive Branch.

The public areas of the Capitol include the rotunda and its galleries; the main corridors; the grand staircases; the ground floor entrances; the first floor exterior porches and staircases; all exterior building surfaces; and the Capitol's grounds, defined as the property on which the state Capitol building is situated, bordered on the north by Ottawa Street, on the east by Capitol Avenue, on the south by Allegan Street, and on the west by Walnut Street.

Information on the use of the Capitol for an event or exhibit shall be provided by the agency holding jurisdiction over the space. Requests for use should be addressed to the appropriate office:

1. Requests about the **public areas of the Capitol**, which are under the jurisdiction of the Michigan Capitol Committee, must be addressed to the Facility Director's Office, State Capitol, State of Michigan, Lansing, Michigan 48909-7514.
2. Requests about the use of space under the jurisdiction of the **Senate** must be addressed to the Secretary of the Senate, P.O. Box 30036, Lansing, Michigan 48909-7536.
3. Requests about the use of space under the jurisdiction of the **House of Representatives** must be addressed to the Business Office, Michigan House of Representatives, P.O. Box 30014, Lansing, Michigan 48909-7514.
4. Requests about the use of space under the jurisdiction of the **Executive Branch** must be addressed to the Office of the Governor, State Capitol, Lansing, Michigan 48909.

The following procedures shall be followed in the administration and operation of the public areas of the Michigan State Capitol. At no time will enforcement of these procedures be influenced or affected by age, sex, race, national origin, disability, religion, or partisan politics.

I. Definitions

The following words and terms, when used in this document, shall have the following meanings, unless the context clearly indicates otherwise.

- A. EXHIBIT: Any display of artwork, including but not limited to paintings, sculptures, arts and crafts, and photographs; public service and educational presentations; and historical displays.
- B. EVENT: Any performance, ceremony, presentation, meeting, rally, or reception held in the public areas of the Capitol. A rally is defined as a gathering of people for the purpose of actively promoting a cause.
- C. PARTISAN POLITICAL EVENT: An event held for the primary purpose of advancing or advocating the political candidacies of a particular party or group.
- D. CAPITOL: The Michigan State Capitol. Unless otherwise specified, the use of the term “Capitol” will be taken to include the building and its grounds.
- E. CAPITOL SECURITY: Regular state police officers, Capitol security officers, and civilian guards employed by the Michigan Capitol Committee.

II. Conditions Governing All Public Areas of the Capitol

The following conditions apply to all public areas of the Capitol. For conditions specific to the interior or exterior public areas of the Capitol, see Sections III and IV below.

- A. No public event or exhibit may discriminate on the basis of race, national origin, religion, sex, age, or disability.
- B. Public use of the Capitol shall not interfere with any legislative session or the conduct of public business by agencies of the State which normally occupy and use the Capitol, and shall not affect the safety and well-being of the individuals conducting the work of these agencies.
- C. In case of fire, bomb threat, utility malfunction, structural failure, or other unforeseen emergency or threat endangering public safety or health, the Executive Director of the Michigan Capitol Committee may delay or postpone any scheduled event until the emergency or threat is over.
- D. Individuals or organizations are responsible for returning the areas used in conducting their events or exhibits to their original condition. Individuals or organizations are responsible for any vandalism, damage, breakage, loss, or other destruction to the Capitol caused by that individual or organization. Costs will be assessed to individuals or organizations for damages incurred. The cost of the repair will include the costs for the services of specialists in relevant historical restoration skills as determined by the Executive Director of the Michigan Capitol Committee.
- E. Individuals or organizations using the Capitol shall indemnify and hold harmless the State of Michigan, its departments, agents and employees from and against any and all suits, damages, claims, or other liabilities due to personal injury or death; damage to or loss of property to the State or to others; or for any other injury or damage arising out of or resulting from the use of the Capitol.
- F. Alcoholic beverages shall not be served or consumed in a public area of the Capitol or on the Capitol grounds.
- G. Food and beverages may be served at a scheduled event or exhibit if all of the following criteria are met:
 - 1. The applicant specifies in writing, prior to the event or exhibit, the type of food and beverages to be served and the desired service area.
 - 2. Food and beverages shall be provided by a state licensed caterer; otherwise, individuals or organizations shall obtain a temporary food stand license from the Ingham County Health Department's Bureau of Environmental Health, as required by state law (Public Act 368 of 1978).
 - 3. The applicant assumes responsibility for the preparation, service, and consumption of all food and beverages provided during the event or exhibit.
 - 4. The food and beverage service will not cause physical damage to the Capitol.

- H. Posting or affixing signs, announcements, or other documents on any exterior or interior wall, ceiling, floor, door, window, or other surface of the public areas of the Capitol not designed for that purpose is prohibited. Stickers, labels, tape, or any other adhesive material that might leave a residue or otherwise damage interior or exterior surfaces of the Capitol, including porches, stairs, statuary, monuments, light wells, fences, and trees is also prohibited. Likewise, tacks, nails, staples, or other attachments may not be used. Display board space may be requested or arranged through the Facility Manager's Office.
- I. No item or material with the potential to damage the Capitol may be used. All items or materials must be removed promptly after an exhibit or event.
- J. No item may be leaned against exterior or interior walls, pillars, portraits, furnishings, staircases, or other feature of the Capitol.
- K. The Capitol Facility Director has limited equipment (for example, public address system, chairs, tables, podium, etc.) for use at exhibits or events. Arrangements may be made for the Facility Manager to provide such equipment upon payment of reasonable charges (**see rate sheet page 55**), if available; otherwise, it shall be provided by the individuals or organization sponsoring the event or exhibit. If equipment is required, the Facility Manager's Office should be contacted to discuss what is available, how it is intended to be used, and to place a reservation. Requests for equipment should be made at least one week in advance of the event or exhibit. Individuals or organizations using such equipment will be responsible for any damage to or loss of that equipment.
- L. Other than fees charged for the use of equipment, power, and labor to set up, operate, and remove equipment, no charges will be made to individuals or organizations for use of the Capitol's public space. **See attached rate sheet page 55.**
- M. Exhibits are allowed at the Capitol subject to the following conditions:
 - 1. The State of Michigan is not responsible for damage to or loss or theft of exhibits during the period of their installation, display, or removal. No special security can be provided for exhibits by Capitol Security; all special security required for an exhibit must be provided by the exhibit's sponsor.
 - 2. Exhibitors must bear all costs of assembling, mounting, displaying, and removing exhibits and of cleaning up and restoring the exhibit space to its original condition under the supervision of the Facility Manager.
 - 3. All displays must be freestanding. Exhibits may not hang from walls or ceilings or be affixed to doors, windows, railings, or other building surfaces (except for standing on the floor). Exhibits on the Capitol's grounds may not hang or be affixed to trees, shrubbery or other plantings, statuary, monuments, fences, light fixtures, light wells, or the exterior surfaces of the building.
 - 4. Exhibits must contain a disclaimer stating that the display is not owned, maintained, promoted, supported by, or associated with the State of Michigan.
 - 5. **Exhibits may be scheduled for display for up to 14 calendar days** during a calendar year (January 1 through December 31). Exhibits on the Capitol grounds must be removed by the time and for the reasons set forth in Section IV-A.

6. Requests for exhibit space must include a clear layout, scale drawing, or sketch of the proposed exhibit, preferably as it will be displayed. The dimensions of the space required should be indicated, as well as the manner in which the exhibit will be mounted or displayed.
- N. No sound amplifying equipment may be used whose sound level interferes with any legislative session or the conduct of public business by agencies of the State which occupy or use the Capitol.
- O. A person shall not remove state property from the Capitol or its grounds except as permitted in the normal course of business, unless the removal has been previously authorized in writing by the Executive Director of the Michigan Capitol Committee.
- P. To enhance security and public safety, security officers may do the following: packages and briefcases suspected of concealing stolen items or contraband may be inspected. Items being brought into the State Capitol Building may be inspected if suspected to be capable of destructive or disruptive use within the building.

Proper identification of all employees and any other visitor may be demanded at any time after normal working hours. If the facility is closed during an emergency, access may be denied for the duration of the emergency. Employees or other persons may be required to sign a registration sheet after normal working hours or when the building is closed.

- Q. A person who refuses to adhere to these conditions is subject, in addition to criminal penalties provided by law, to immediate removal from the Capitol building or grounds, or both, by the Executive Director of the Michigan Capitol Committee, Capitol security, the Facility Manager, or any other person designated by the Facility Manager. Nothing contained herein shall be construed as limiting prosecution under any existing or future law.

III. Conditions Governing the Public Areas of the Capitol: The Interior

The following conditions governing the use of the public areas of the Capitol apply specifically to the use of the **interior** of the Capitol:

- A. **Hours of Operation:** Visiting hours for the public are from 8:00 a.m. to 5:00 p.m. daily except Saturdays, Sundays, and holidays. When either house of the legislature or a legislative committee is in session prior to 8:00 a.m. or after 5:00 p.m., or on Saturday, Sunday, or a holiday, the building shall be open to the public 30 minutes before commencement of the session and closed 30 minutes after adjournment of the Senate, House of Representatives, or legislative committee. The visiting hours on Saturday, Sunday, and holidays shall be as posted. Events sponsored by State Agencies and entities may be held in public areas prior to 8:00 a.m. or after 5:00 p.m. on workdays, or on Saturday, Sunday, or a holiday.
- B. In case of fire, bomb threat, utility malfunction, structural failure, or other unforeseen emergency or threat endangering public safety or health, the Executive Director of the Michigan Capitol Committee or Capitol security may lock the Capitol at any time and require that entrances be used from within only as a means of egress in case of emergency. A person shall not enter or attempt to enter through an entrance which is closed pursuant to these conditions until the emergency is over.
- C. State law prohibits smoking in public buildings. Furthermore, the Capitol is a historic building with highly decorated walls, ceilings, and original works of art. Therefore, smoking or carrying lighted tobacco products is not permitted in any public area inside the Capitol, including the corridors, staircases, rotunda, rest rooms, and elevators.
- D. Alcoholic beverages shall not be served or consumed in any public area of the Capitol.
- E. An event or exhibit shall not obstruct entrances or block traffic flow through the building.
- F. Moving the Capitol's furnishings, such as furniture, lighting, and paintings, by the organizers, conductors, or participants at an event or exhibit is not permitted.
- G. Tables, displays, chairs, or other items shall not be dragged or rolled on the marble floors of the corridors or the glass floor of the rotunda.
- H. A partisan political event, as defined in Section I-C, is not allowed in the public areas inside the Capitol.
- I. An individual or organization shall not solicit or sell any article or service in the public areas inside the Capitol, nor shall any exhibit or display be allowed for that purpose, including the display of business cards or promotional materials.
- J. Due to the constricted space and crowded conditions which often prevail inside the Capitol, hand-carried signs and signs on hand sticks represent a serious safety hazard to visitors and occupants. They are not allowed in the public areas inside the Capitol.

- K. Helium balloons are not allowed in the public spaces inside the Capitol because they are very difficult to retrieve.
- L. Food and beverages shall not be served in the public areas inside the Capitol without the approval of the Executive Director of the Michigan Capitol Committee (see Section II-G). Food and beverages must be consumed in the area approved for an event or exhibit.
- M. Except as may be required in the course of state business, animals are not allowed in the public areas inside the Capitol building. Guide dogs, however, may be used when necessary to assist persons with disabilities in the Capitol building. The owner or person having the animal under his or her control shall be responsible.
- N. Exhibits intended for the public areas inside the Capitol and sponsored by State agencies and entities may be held in the ground floor rotunda or multi-purpose room designated for exhibits by the Facility Manager. Exhibits sponsored by non-State agencies and entities shall be held in the multi-purpose room designated by the Facility Manager. Requests will be scheduled on a first-come, first-served basis if the following criteria are met:
 - 1. Exhibits do not obstruct entrances, interrupt traffic flow through the building and exhibit area, or disrupt legislative sessions or the normal conduct of public business in the building.
 - 2. Mounted materials, whether items of display or information related to displays, are secured to tripods, display panels, or other freestanding devices. Such panels, tripods, etc., when provided by the exhibitor, must meet the approval of the Facility Director.
- O. Weddings may be held in the public areas (corridors and rotunda) of the ground or first floor of the Capitol. Weddings may be held between 8:00 a.m. and 8:00 p.m., Monday through Saturday. All facility costs, including but not limited to equipment, supplies, labor, and overhead, associated with the wedding shall be paid prior to the wedding ceremony by the individual(s) requesting the wedding be held in the Capitol. **(For more information on weddings, please see page 34).**

IV. Conditions Governing the Public Areas of the Capitol: The Exterior Including Grounds

This portion of the public areas of the Capitol includes the exterior walls and surfaces of the building, the ground and first floor entrances, porches and staircases, and the grounds.

Public use of the Capitol grounds for scheduled events or exhibits is subject to the following:

- A. In order to maintain the security, safety, and aesthetic appearance of the Capitol and Capitol grounds, and to provide for regular maintenance, improvements, or alterations, scheduled events or exhibits on the Capitol grounds shall occur between the hours of 6:00 a.m. and 11:00 p.m. on a daily basis, and shall at no time block any entrance or exit of the building, or impede free access to the building by its occupants or the public. When either house of the legislature or legislative committee is in session prior to 6:00 a.m. or after 11:00 p.m., the grounds shall be open 30 minutes before commencement of the session and closed 30 minutes after adjournment of the Senate, House of Representatives, or legislative committee.
- B. Defacing or damaging the Capitol grounds, including trees, shrubbery, flowers, lawns, sidewalks, fences, lighting fixtures, light wells, fire hydrants, benches, statues, monuments, plaques, and such subterranean features as are necessary for the maintenance and operation of the Capitol (such as lawn sprinkler systems, sewer and water mains, electrical conduit, etc.), or any other feature in any manner is not allowed. Likewise, defacing or damaging the exterior walls and surfaces of the building, including the entrances, porches, and staircases, is not allowed.
- C. A banner, in connection with a scheduled event on Capitol Square, may be suspended from the front step light standards during the event, but not exceeding 12 hours on one day in any given year. The banner, in dimensions specified by the Executive Director of the Michigan Capitol Committee, must be attached to and removed from the standards by Capitol maintenance staff. The banner should be delivered to the Capitol Facility Office two hours before the start of a scheduled event.
- D. Stepping or climbing upon statues, monuments, fences, lighting fixtures, light wells, trees, or parts of the Capitol building not intended for such purposes is not allowed.
- E. Picketing and the distribution of literature shall not impede or interfere with State business or public access to and use of the Capitol. In order to inform individuals and organizations of the procedures for the use of public areas of the Capitol and grounds, it is recommended, but not required, that individuals and organizations desiring to distribute literature on the Capitol grounds advise the Capitol Facility Director of the date and time of this activity. In order to assure the reasonable conduct of public business, unobstructed access to the Capitol for its occupants and the public, and to maintain the Capitol grounds, the Executive Committee (composed of the Chair and Vice-Chairs) of the Michigan Capitol Committee has been delegated the authority to designate specific areas of the grounds for picketing and the distribution of literature, which shall apply equally to all such activities. Individuals distributing literature shall remove all discarded items from the grounds at the conclusion of their activity.

- F. Due to the presence of underground utility, electrical, and drainage lines, signs or banners shall not be driven into the ground nor shall they be supported in or by any tree, monument, or other structure affixed to the Capitol grounds. Signs (excluding disclaimer signs required under Section II-M-4) or banners supported by freestanding devices may not be left unattended, i.e., an individual must be stationed within two feet of a freestanding sign or banner at all times to prevent damage to the grounds, injury to individuals, and for security reasons.
- G. Use of the Capitol grounds by an individual or organization for an event or exhibit is authorized only if the event or exhibit has been scheduled with the Capitol Facility Director in accordance with the procedures described herein.
- H. Equipment or structures of any kind that are placed on the Capitol grounds in connection with an event or exhibit shall be entirely removed at the conclusion of the event or exhibit, or no later than the time set for closing of the grounds as set forth in Section IV-A.
- I. Alcoholic beverages shall not be dispensed or consumed on the Capitol grounds.
- J. Camping or sleeping overnight on the Capitol grounds is not allowed.
- K. In order to maintain the security, safety, and aesthetic appearance of the Capitol and Capitol grounds, and to provide for regular maintenance, improvements, or alterations, structures, whether for shelter or for any other purpose, erected by an organization as part of a scheduled event or exhibit, shall be removed from the grounds by the time scheduled for the closing of the grounds as set forth in Section IV-A.

The size, number, and location of structures erected for shelter shall be determined by the Executive Director of the Michigan Capitol Committee based on the physical conditions of the grounds and the expected size and nature of the event or exhibit. Such determination shall be stated in writing to the organization scheduling the event or exhibit.

Structures for a scheduled event or exhibit, for purposes other than shelter, shall be limited in number to one, in size to 3 feet x 3 feet x 3 feet, and shall not be capable of habitation. The Executive Committee of the Michigan Capitol Committee has been delegated the authority to designate specified areas of the Capitol grounds for location of structures of this kind, which shall apply equally to all such structures.

- L. Vehicles are not allowed on the Capitol grounds, except in areas designated for vehicular use, without permission of the Executive Director of the Michigan Capitol Committee.
- M. Hunting and trapping are not allowed on the Capitol grounds.

- N. On Capitol Square adjacent to Capitol Avenue are light poles to which banner brackets are attached.

The Executive Director of the Michigan Capitol Committee may authorize banners to be displayed on Capitol Square light poles for a period not exceeding 56 days, provided:

- The banners promote:
 - state holidays, celebrations, and institutions.
 - city celebrations.
- The banners are not political, or pertain to an issue before the legislature.
- The name of the banner sponsor does not constitute more than 20 percent of the banner surface.
- The banners do not promote private business or nongovernmental institutions.

The Executive Director of the Michigan Capitol Committee shall certify the banners meet the criteria prior to their placement on the Capitol Square utility poles.

The Executive Director of the Michigan Capitol Committee shall inform the Committee of any such banners authorized.

- O. Three flag poles are located on the Capitol roof. The flag pole on the south wing roof is the Senate flag pole and flags shall be flown on the pole as directed by the Michigan Senate. The flag pole on the north wing roof is the House flag pole and flags shall be flown on the pole as directed by the Michigan House of Representatives. The flag pole on the east wing roof is the main Capitol flag pole. Only the flags of the United States of America and State of Michigan shall be flown on the main Capitol flag pole. Flags on the main Capitol flag pole shall be flown in accordance with United States code.

V. Scheduling Events and Exhibits

Requests to schedule events or exhibits in the public areas of the Capitol or on the Capitol grounds shall be made to the Facility Manager's Office, Capitol Building, State of Michigan, Lansing, Michigan 48909.

- A. Requests will be scheduled on a first-come, first-served basis. Since the areas available for events and exhibits are limited and the demand is at times high, it is recommended, but not required, that requests be made at least one month in advance. In the case of exhibits, due to the length of time an exhibit may remain on display, additional lead time may be necessary to secure the desired space and date. These factors should be kept in mind when making requests.
- B. Each request shall be in writing and shall contain the following information:
 - 1. Name and description of sponsoring organization.
 - 2. Name/address/telephone number(s) of contact person(s).
 - 3. Name/address/telephone number(s) of back-up contact person(s).
 - 4. Description of planned event or exhibit.
 - 5. Date and hours requested for event or exhibit, and duration of an event or exhibit.
 - 6. Area requested for use.
 - 7. Number of anticipated attendees.
 - 8. Equipment or services available through the Capitol Facility Manager can be used in connection with an event or exhibit on an "as available" basis, upon payment of reasonable fees and charges. A list of the equipment and the charges is available upon request from the Capitol Facility Manager.
See attached rate sheet on page 55.
- C. All decisions by the Executive Director of the Michigan Capitol Committee required under these procedures shall be made as promptly as possible, but no later than two state business days after receiving the written request.
- D. In order to schedule an event or exhibit, a sponsor is required to sign an acknowledgment that the sponsor has read, understood, and will abide by the procedures governing the use of the public areas of the Capitol; that the sponsor is responsible for damages incurred as a result of its event or exhibit; that the sponsor will either restore or pay to have restored the area used for its event or exhibit to the condition that existed prior to its use; and that it will indemnify and hold harmless the State of Michigan for any damage or loss the state incurs arising out of its use of the Capitol or the Capitol grounds. Any sponsor that fails to abide by the terms of the agreement will not be permitted to schedule a future event or exhibit until the outstanding obligations have been fully satisfied.

VI. Appeals

If a person or organization is aggrieved by a decision of the Executive Director, an appeal may be taken to the Executive Committee of the Michigan Capitol Committee within three state business days of that decision. The appeal shall be in writing, stating the basis therefor and the relief sought. The Executive Committee has been delegated the authority to review the decision and shall announce its decision as promptly as possible, but no later than six state business days after the members have received the appeal.

** To schedule an event or exhibit, call the Capitol Events Coordinator, (517) 373-9617.*

GENERAL INFORMATION

Capitol Building and Capitol Square Hours

The Capitol grounds are open between the hours of 6:00 a.m. to 11:00 p.m. on a daily basis.

The Capitol building is open from: 8:00 a.m. to 5:00 p.m. Monday through Friday

10:00 a.m. to 4:00 p.m. Saturday

The Capitol is closed Sundays and most state holidays.

Scheduling Events and Exhibits

All events or exhibits in the public areas of the Capitol or on the Capitol Square are scheduled through the:

Capitol Events Coordinator
Capitol Facility Director's Office
Capitol Building
P.O. Box 30014
Lansing, MI 48909-7514
(517) 373-9617

The public areas of the Capitol include the rotunda and its galleries; the main corridors; the grand staircases; the ground floor entrances; the first floor exterior porches and staircases; all exterior building surfaces; and the Capitol's grounds, defined as the property on which the state Capitol building is situated, bordered on the north by Ottawa Street, on the east by Capitol Avenue, on the south by Allegan Street, and on the west by Walnut Street.

As noted in Section V of the *Procedures*, groups are encouraged to schedule their events **early**. For best results, plan to schedule as far in advance as possible. During certain times of the year (particularly in the spring), events are held every day of the week. The **Spring Music Program** (see below) limits the availability of the front steps of the Capitol and the first floor rotunda during the busy spring months. It happens every year that a group distributes information and makes plans for an event and then finds that another event has already been scheduled for the time they desired. The earlier you schedule, the better your chance of getting the area and time you want for your event.

Spring Music Program

Every spring, Michigan's outstanding school bands and choirs are showcased at the Capitol. From mid-April through mid-June, a high school band will perform almost every weekday on the front steps of the Capitol from 12:00 noon to 1:00 p.m. Setting up and taking down equipment usually takes 30 minutes, so the front steps are occupied from 11:30 a.m. to 1:30 p.m. Monday through Friday from the first week in April through mid-June. Choirs perform in the first floor rotunda from 12:00 noon to 1:00 p.m. from February through mid-June.

Coordinating with Legislative Sessions

Often groups want to schedule an event when the legislature is in session. In general, the legislature is in session each year from the third Wednesday in January until the end of June, and from Labor Day until the third week in December. The Senate and House usually meet on Tuesdays, Wednesdays, and

Thursdays. The legislature usually reserves Fridays and Mondays for working or meeting with constituents in their districts. To determine if the Senate is scheduled to be in session on a given day, contact the Secretary of Senate at (517) 373-2400. To determine if the House is scheduled to be in session on a given day contact the Clerk of the House at (517) 373-0135. Both session schedules can be found on the Internet at www.legislature.org/sessionschedules.

Many organizers of events encourage participants to visit legislators' offices. Most legislative offices are not in the Capitol. Legislators are housed in either the Farnum Building or the Anderson House Office Building adjacent to Capitol Square. The Capitol Tour Guides Service can supply copies of legislative directories at no cost to event organizers for distribution prior to and/or during the event.

Cancellation of a Scheduled Event or Exhibit

The Michigan Capitol Committee has priority in the use of the public areas of the Capitol and Capitol Square and may cancel any scheduled event or exhibit if it is necessary for the conduct of public business or a state event.

While this happens rarely, and we try to avoid it, it is possible that your event could be canceled if necessary for the conduct of public business. However, we will try to give you as much advance notice as possible.

Liability Insurance

As explained in Section II-D of the *Procedures for the Use of the Public Areas of the Michigan State Capitol*, any individual or organization using the Capitol or Capitol lawn will be responsible for all suits, damages, claims, or liabilities due to personal injury or damage to or loss of property and for the cost of any damages incurred as a result of its event or exhibit. While it is not required, it is strongly recommended that the sponsors of Capitol events or exhibits obtain liability insurance. Many state and national organizations already carry such policies. Policies can also be obtained at a reasonable cost from most insurance agents.

Lost and Found

Lost and found items are handled at the Capitol Information Desk located at the front (east) ground floor entrance of the building.

If a child is lost, immediately contact a Capitol staff person. If you find a child, take the child to the Capitol Information Desk.

Persons With Disabilities

During the restoration, numerous physical barriers were removed from the Capitol Square and the Capitol itself. Every ground floor door, except one (over a utility vault) is barrier free. At least one exterior and interior door at every ground floor entrance has an automatic door opener – doors can be opened with the push of a button. The chambers and appropriation committee rooms are equipped with assistive listening devices. Parking spaces for persons with mobility disabilities are located north of the Capitol. The entrance to the handicap parking area is off Ottawa Street.

Groups are strongly encouraged to acquire the services of a signer for events which may include persons with hearing disabilities. There are services which provide signers for a nominal charge in the Lansing area. The Capitol Events Coordinator would be happy to assist in locating a signer for your event.

If you anticipate that a large number of persons with disabilities will attend your event, please discuss this matter with the Capitol Events Coordinator or Facility Director (517) 373-9617, so that arrangements can be made to accommodate participants. Every effort should be made to assure that all persons with disabilities have access to and can participate in your event.

Rest Rooms

Public rest rooms are located on the ground floor (north and south corridors) of the Capitol. Public rest rooms are also located on the third floor.

If your event is held on the grounds after 5:00 p.m., when the building is closed, you should consider renting portable toilets for event participants. Please contact the Capitol Events Coordinator at (517) 373-9617 for a listing of local rental companies and scheduling the placement of the portable toilets on Capitol Square.

Telephones

There are two public telephones located in the ground floor east vestibule of the Capitol. One of the telephones is equipped with an assistive listening device for individuals who may be hard of hearing.

Tours

If you wish to have a tour of the Capitol before or after your event, you may book the tour(s) with the Capitol Tour and Information Service:

Capitol Tour and Information Service
Legislative Council Facilities Agency
P.O. Box 30014
Lansing, MI 48909-7514
(517) 373-2353

Tours should be booked well in advance as tours are scheduled on a first-come, first served basis and bookings fill quickly, especially during the spring. Tours are conducted between the following business hours:

Monday through Friday	9:00 a.m. - 4:00 p.m.
Saturday	Closed on Saturdays

Tours usually last one hour, and groups are limited to 45 people.

Safety

One of the primary reasons for the *Procedures* is safety:

- * Safety of the participants attending your event or exhibit.
- * Safety of other Capitol visitors.
- * Safety of individuals conducting public business in the Capitol.

Whatever the size of your event, consider appointing assistants or marshals to ensure that your event is safe and accident-free. Assistants or marshals will:

- * See that cords, ropes, plastic, posters, and sticks are not placed in walkways or areas where people could slip or trip. During the spring and fall, between 2,000-3,000 people visit the Capitol each day.
- * See that Capitol entrances and exits are kept clear.
- * Assist in medical emergencies or other life-threatening situations.
- * Assist in seeing that cardboard signs and placards on sticks are not brought into the building. Cardboard signs and placards, particularly those on sticks, while appropriate outside, are totally inappropriate inside the building where people are climbing up and down stairs or trying to enter or exit the narrow gallery aisles, elevators, etc. Cardboard signs and placards on sticks become weapons which, however unintentionally, could seriously harm fellow event participants, Capitol visitors, or to the building's furnishings and walls.

Children at the Capitol

Children are sometimes involved in events and exhibits at the Capitol. Although they are welcome, sponsors must take adequate steps to protect their safety and to make sure they are not disruptive.

Make sure you have an adequate number of chaperons. Instruct chaperons to:

- * Plan visits to the rest rooms before or after—not during—the event. Rest rooms are located on the ground floor of the Capitol.
- * Stay with their group at all times and keep focused on the event or exhibit they came to attend. Do not allow children to enter the Capitol without a chaperon.
- * Prevent running inside or outside the Capitol (especially on the Capitol's steps!) and discourage horseplay.
- * Do not allow children to climb on trees, porch railings, or stone work.
- * Make sure children do not block entrances or exits, stairs, or hallways.
- * Be sure children do not lean over or through rotunda and stair railings inside the Capitol.
- * When entering the Capitol, remind children to lower their voices. Voices carry and even a small group can disrupt the business within the building.
- * Remind children not to touch the walls or woodwork inside the Capitol—all surfaces (except the floor) are hand painted and very fragile.
- * Remember that children have relatively short attention spans. Sponsors sometimes bring large groups of children to the Capitol for several hours or even an entire day. This creates tremendous difficulties. The Capitol simply does not have the facilities to accommodate such groups in the case of bad weather. Accommodations in the galleries to observe a session are limited and the building is almost always crowded on session days. For the safety of the children and the success of your event, keep the number of children involved small, the time spent at the Capitol short, and the event well-planned and well-chaperoned.

EMERGENCIES

Medical

During most events, a member of the Capitol staff is present. That person is usually stationed near the podium, if one is being used. If the Capitol sound system is being used, the staff person will be stationed at the sound system control panel. That person will summon medical assistance or other emergency help as required. In case there is no Capitol staff person available and an emergency occurs, go to the Capitol Information Desk at the front (east) ground floor entrance to summon emergency assistance. If the Capitol building is closed, use the emergency phone in the front (east) ground floor vestibule (next to the center door) to the Capitol. This phone provides a direct line to the Legislative Central Control.

Tornado

Michigan weather can at times be unpredictable. Should a tornado or severe weather warning be issued during your event, participants will be ushered into the Capitol shelter area—the ground floor corridors of the Capitol.

Fire

The Capitol is equipped with fire alarms, smoke detectors, a sprinkler system, and two interior fire stairs. There are four exits (north, east, south, and west) on the ground and first floors. There are two grand staircases, one north and one south of the rotunda, and two interior fire stairs which can be entered from the 2nd, 3rd, and 4th floors. The interior fire stairs are marked and are located in the east and west corridors next to the rotunda. If the fire alarms are activated, immediately leave the building by the closest exit (but do not use the elevators) and go to one of the sidewalks next to the street.

Emergency Phone Numbers:

Capitol Security Police (517) 373-2836

Fire, Police, and Ambulance 911

EXHIBITS

Please read sections in the *Procedures* pertaining to exhibits.

On the day of your exhibit, report to the Facility Office, North Annex, Capitol Building before setting up your exhibit or before bringing any materials into the building. On the following page, review the instructions for exhibitors.

Exhibits inside the building are limited to Room 53 or 55. Depending on the size of the exhibit, the Facility Director will designate either Room 53 or 55 for your exhibit. The ceiling height in both rooms is 8 feet, 7 inches. Exhibits are usually set up along the perimeter walls. The walls of Room 53 are lined with bulletin boards on which displays may be mounted. At the base of the board, there is a lip on which display panels may be placed. Room 55 is also used for lunchroom purposes and has 11 round tables and 50 chairs.

Please give a copy of the Exhibitors Instructions to the individuals who will be setting up and taking down your Capitol exhibit.

CAPITOL BUILDING

Exhibitors Instructions

Exhibit Design

When designing an exhibit, please consider its appropriateness. Over 120,000 visitors tour the Capitol each year, of which approximately 70,000 are fourth and fifth grade students.

Exhibits inside the building are displayed in Room 53 or 55 depending on the size of the exhibit. The walls of Room 53 are lined with bulletin boards on which displays can be mounted. At the base of the board, there is a lip on which display panels may be placed. Sight- and mobility-impaired individuals work in the building and persons with disabilities visit and tour the building. When designing an exhibit, please keep persons with disabilities in mind:

Does the exhibit have a baseboard that the visually-impaired can locate with a cane?

Can mobility-impaired individuals navigate around the exhibit?

Exhibits must include an identification sign indicating the exhibit title, exhibit sponsor, exhibitor's address, and phone number.

Protecting Surfaces

Exhibitors may not place any item on or lean any item against any wood or other painted surface other than the floor or tables set up specifically for this purpose. No boxes, carts, or other item can be leaned against or touch the wainscot or other painted surface. The wainscot is soft wood painted to look like walnut; marble wainscot is wood painted to look like marble; and the columns are iron painted to look like marble. What looks like walnut or marble is really layers of paint—painstakingly applied by hand—which can be easily chipped and is expensive to repair. The walls are also painted with every kind of decorative paint technique known to Victorian artists. Exhibitors should instruct all individuals installing or taking down an exhibit to use extreme care and to take every measure to protect the surfaces of the Capitol.

NOTE: Exhibitors will be charged all costs involved in repairing decorative painted surfaces they damage.

Parking

On weekdays, exhibitors may make arrangements with the Capitol Facility Office in the North Capitol Annex to park in the service area north of the Capitol off Ottawa Street to unload exhibit material. Exhibitor vehicle(s) must be removed from the service area after the materials are unloaded and while the exhibitor is setting up the exhibit. Arrangements may also be made to park in this area to load the exhibit materials at the conclusion of the exhibit. The Capitol is open weekdays from 8:00 a.m. to 5:00 p.m.

On weekends, exhibitors may park in the Capitol Parking Lot located directly west of the Capitol to load and unload and while installing and removing exhibits. The entrance to the Capitol Parking Lot is located on Allegan Street (the south side of the Capitol). The Capitol is open from 10:00 a.m. to 4:00 p.m. on Saturdays. It is closed on Sundays.

Check-In and Check-Out

Upon arriving at the Capitol, exhibitors must check in at the Facility Office located in the North Capitol Annex before bringing any equipment or exhibit items into the building.

Likewise, exhibitors must check in at the Facility Office before removing exhibits from the building.

Carts

Exhibitors may make arrangements with the Facility Office for carts to transport items from their vehicle(s) to the exhibit area. All ground floor entrances are equipped with at least one automatic door at each entrance, which is activated by a push plate. **Exhibitors should use the automatic door openers to open doors for carts.** Under no circumstance are carts, boxes, or any other item to be rammed into doors to force or to hold them open.

EVENTS, RALLIES, AND PROTESTS

Congress shall make no law abridging the freedom of speech or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievance.

First Amendment to the U.S. Constitution

Rallies, protests, and demonstrations, or partisan political events are usually held on the front (east) steps and sidewalk of the Capitol and the area just in front of the steps. The first platform of the steps is used as a speaker's platform (1) and participants gather on the wide walk (2) and lawn (3) in front of the steps. The Capitol itself serves as a dramatic backdrop for the event. The first platform of the steps is 9 feet by 29 feet and can accommodate a maximum of 48 chairs and a lectern or podium. Several hundred participants can easily fit on the front walk and the adjacent lawn can accommodate thousands.

In case of rain or inclement weather, the speaker's platform can be placed on the front portico (porch), which provides limited shelter to speakers and the public address equipment (**see page 28**). Due to limited space, rallies cannot be moved inside in case of rain.

Events in the Rotunda and Corridors

Partisan political events are not allowed in the public areas inside the Capitol. The only public areas inside the Michigan State Capitol available for an event are the rotundas and corridors. The rotunda can accommodate small groups with a maximum of 100 to 150 people, less if chairs are used.

The rotunda is only 44 feet in diameter and serves as the connector to the corridors leading to the four wings of the building. Hundreds of Capitol workers and visitors pass through the rotunda during work days. This means that passageways must be kept clear through the rotunda at all times and events may not completely fill the rotunda at any time.

In summary, while the rotunda and first floor corridors may be appropriate and work well for small groups and short events, it does not work well for large groups or large events.

Please pay attention to the following requirements when planning your event:

1. The Capitol building belongs to all of the people of Michigan, and over 120,000 tour it annually. The Capitol building is open to the public every workday and **tours are conducted continuously**. Since the first floor rotunda is one of the highlights of the tour, first floor rotunda events should be kept as brief as possible in order to minimize inconvenience to visitors who have come a considerable distance to see the Capitol. **At all times during rotunda events, passageways must remain clear through the rotunda.** This is to allow movement of individuals and equipment (such as delivery carts and wheel chairs) in the rotundas and corridors not associated with your event or in the event of an emergency.
2. No use of the rotundas or corridors can disrupt building functions. For safety reasons, the **number of event guests will be limited** by the need to prevent passageways from becoming blocked and to maintain unobstructed circulation through the building. Please have an ample number of volunteers, marshals, or coordinators assigned to monitor and ensure that all passageways remain clear.
3. All decorations, such as floral arrangements and posters, must be approved by the Facility Director before being brought into the building. All decorations or other items must be freestanding and cannot be attached to or leaned against any wall or other feature of the Capitol except the floor.
4. No signs or announcements may be posted on any surface of the Capitol. Stanchions or easels can be used for such signage.
5. None of the Capitol's furnishings may be moved. Also, nothing may be dragged over the marble and glass floors. All equipment must be carried into the rotunda or moved on carts approved by the Facility Director.
6. Since there is no way to confine noise to the rotundas or corridors, an effort should be made to keep sound levels as low as possible. Because of the disruption to tours and to the tenants of the Capitol, sound systems can only be used in the rotunda at low levels.
7. No helium balloons, candles, bubbles, or any other item that could be harmful to the Capitol may be used.
8. No food or beverages may be served unless special permission is granted by the Executive Director of the Michigan Capitol Committee. (*See Procedures, page 8*, for more information). If food or beverages are served, the event sponsor must see that the food and beverages are kept in the service area and not carried throughout the Capitol.
9. If chairs or other equipment are required for the event, they can be provided for a fee by the Capitol Facility Office. If equipment is procured elsewhere, it must be brought into the building and set up under the supervision of the Facility Director.

Equipment

The Capitol Facility Director has the following equipment available for rent for events and exhibits.

EQUIPMENT	CHARGE	
Banner Poles (per set)	\$15.00	
Chair (folding)	1.00	
Chains dropped for vehicle parking	25.00	
Coat Rack	15.00	(max. \$20.00 per week)
Easel	4.00	
Electricity (120 volt plugs)	5.00	
Flag	2.50	
Podium	30.00	
Public Address System (Electric included)	40.00	
Table (6-foot folding)	7.00	(max. \$30.00 per week)
Tablecloth (Royal Blue 54x96, indoor use only)	3.25	
Table Skirt (Royal Blue, indoor use only)	12.00	
Fitted Tablecloth w/Skirt (use on 30"x72" table)*	12.00	* Indoor use only.
Tabletop Lectern	12.00	
Tent Setup Charge (Inserting and removing eyelets in tent piers)	25.00	
Trash Can	2.00	

Public Address System

For safety reasons and to prevent damage to the equipment, the public address system will not be provided in the case of rain or snow or other bad weather. It will be removed if such weather occurs during the event. If the equipment can be sheltered under the portico (at the top of the east steps), it will be moved to that location so the program can continue.

The system has the capability of more than one microphone and plays cassettes and CDs. No equipment (i.e. band, additional mikes, etc.) can be hooked into the Public Address System.

Tents

As noted in the *Procedures*, any request for tents and canopies on Capitol Square must be approved by the Executive Director of the Michigan Capitol Committee, based upon the physical condition of the grounds and the expected size and nature of the event or exhibit.

Due to the sprinkler system and buried utility lines, no tents will be authorized which require driving stakes into the ground.

Two types of tents may be authorized, based on the above criteria: self supporting tents which do not have to be supported by stakes driven into the ground, and tents which are connected to the tent piers embedded in the lawn. Please contact the Capitol Events Coordinator at (517) 373-9617 for a listing of local tent rental companies. Tent piers have been embedded in the lawn to accommodate the following tent sizes:

South Side of Lawn

40 X 40 feet
40 X 60 feet

North Side of Lawn

30 X 30 feet
30 X 60 feet

Parades

If you are planning a parade in connection with your event on Capitol Square, a parade permit must be obtained from the City of Lansing. Parade applications can be obtained from:

Chief of Police, City of Lansing
2nd Floor, Police Department
120 West Michigan Avenue
Lansing, MI 48933
Telephone: (517) 483-4800

Parking

During workdays, parking is a major problem around the Capitol. Although there is metered parking on all streets around Capitol Square, it is not adequate to handle the number of individuals who desire to park close to the Capitol. There are five parking ramps within three blocks of the Capitol: Boji Parking Ramp at the corner of Capitol and Allegan, the City Parking Ramp at Capitol and Kalamazoo, the City Parking Ramp at the intersection of Allegan and Grand, the City Parking Ramp at Ottawa and Grand, and the City Parking Ramp at Capitol and Shiawassee. Parking space for cars and vans is also available in the Michigan Library and Historical Center parking lot.

Some organizations rent City of Lansing metered parking spaces around Capitol Square for event participants or displays. There are approximately 78 metered city parking spaces around Capitol Square on Walnut, Ottawa, Capitol and Allegan Streets.

To contact the City of Lansing for the current rates for capping meters for a day and to make arrangements to reserve spaces, contact:

City of Lansing
Transportation Division
Lansing, MI 48933
Telephone: (517) 483-4240

Bus Parking

Although there is bus parking available in the State parking lot directly south of the Michigan Library and Historical Center, capacity is limited. If you need a large number of buses to transport participants to your event, it is best to rent the city parking spaces around Capitol Square. Contact: City of Lansing, Transportation and Parking, Lansing, MI; (517) 483-4240.

Evening and Weekend Parking

If the event is to occur in Capitol Square after 5:00 p.m. on a weekday or on Saturday or Sunday, participants can park in the Capitol parking lot. The 300-space Capitol parking lot is located west of the Capitol with an entrance off Allegan Street.

Decorated Vehicles and Floats

Motor vehicles cannot be driven or parked on any Capitol sidewalk. Due to the underground sprinkler system, monuments, memorial trees, and electrical and other utilities buried on the Capitol lawn, no vehicles are allowed to drive or park on the lawn.

If you are planning to decorate motor vehicle(s) with signs, or have floats, you may obtain prior permission to park one or two vehicles or floats on Capitol Avenue at the head of Michigan Avenue in front of the Capitol. If you have more than one or two vehicles, it would be advisable to rent City of Lansing parking spaces on Capitol Avenue next to the east or main entrance of the Capitol. The City of Lansing Transportation and Parking, can be reached at: (517) 483-4240.

Banners and Signs

Banners, posters, signs, or decorations cannot be attached to the building or any of the shrubs, trees, monuments, fences, grates, or other features on the Capitol grounds. Nor can any posters, signs, or other items be driven into the ground. However, one event-related banner can be hung from the light standards on the east front steps by the Capitol Building, but only by facility staff.

The banner should be:

Length: a maximum of 24 feet.

Width: a maximum of 2 feet.

The banner **should have air vents to allow air to pass through** and relieve stress on the fasteners. The banner should be delivered to the Capitol Facility Director's office at least one hour before the scheduled start of the event. A banner can only be hung if your event is scheduled on the east steps and lawn and only for the duration of the event. For safety reasons, banners that exceed the maximum width will not be hung.

All other banners and signs must be supported by freestanding devices such as stanchions. They may not be driven into the ground and may not be left unattended. Please see Section V (C) of the *Procedures For The Use Of The Public Areas Of The Michigan State Capitol*.

As noted in the *Procedures*, for safety reasons, cardboard signs, signs on sticks, or signs made out of hard or stiff material cannot be brought into the Capitol. Often in conjunction with an event or demonstration, participants want to enter the Capitol to meet with or lobby legislators, or attend legislative sessions or committee meetings. These groups often want a visual means to identify their group or want to be identified as supporting or opposing a specific cause or issue. It is suggested that these individuals wear ribbons, buttons, or stickers on their clothing. Office supply companies sell self-adhesive labels in various sizes and colors which can be imprinted with a group's organization symbol or slogan on copy machines.

Balloons

Helium balloons are not allowed inside the Capitol. Due to the Capitol's high ceilings (the rotunda is 150 feet high!), helium balloons are difficult or impossible to retrieve.

Candlelight Vigils

Periodically, requests are received for candlelight vigils at the Capitol. They are strongly discouraged because they pose a safety hazard to participants and because such vigils often result in the sponsoring organization having to pay for the removal of wax from the sidewalks and steps. The only way to remove wax from limestone is with high pressure water and detergent or poultices. The sponsoring organization is charged for equipment rental and labor incurred in removing wax.

Alternatives to candles are flashlights or chemically-activated light wands. If candles are used, consider the following to reduce or eliminate potential damage from wax:

1. Hold the vigil on the lawn, rather than on the sidewalks or steps.
2. If you use candles, use holders to collect wax drippings and to protect participants from hot wax. Cardboard holders do not work.

A good candle holder is a two liter soft drink bottle. Cut the bottom off the bottle and remove the paper from the outside. Hold bottle upside down. Place the candle in the neck of the bottle and screw cap in place. The bottle catches the wax and protects the candle from the wind.

3. Use white candles: colored candles contain dyes which may require special consultants to develop poultices to remove the stains from stone.

In short, candlelight vigils are strongly discouraged. If you do have one, you must budget sufficient funds for cleanup of wax.

If you wish to use candles at your event, please discuss this with the Capitol Events Coordinator.

CATERERS INSTRUCTIONS

Caterers' and Food Licenses

As noted in *Procedures II-G*, food and beverages must be provided by (1) a licensed caterer or (2) a temporary food stand license must be obtained from the Ingham County Health Department's Bureau of Environmental Health, or (3) a statement from the Health Department that the food or beverage you plan to serve is a not potentially hazardous food and you do not need a license. To request a temporary food license, contact the Ingham County Health Department at (517) 887-4312. You may wish to contact the Capitol Concession Stand about your drink and food needs. The Concession Stand is licensed and can supply coffee, soft drinks, sandwiches, cookies, etc. The Capitol Concession Stand can be reached at: (517) 346-5272.

Please give a copy of Caterers Instructions to the individuals who will be setting up and taking down your catered event.

CAPITOL BUILDING

Caterers Instructions

Parking

Caterers may park in the service area north of the Capitol, off Ottawa Street, to unload and load. During slow periods, caterers may make arrangements with the Capitol Facility Office to park in this area during the event. During busy periods, caterers may use the area to unload and load, but must remove vehicles from the area during the event.

During evenings and weekends, the service area north of the Capitol may be used by catering staff for parking.

Check-In

Upon arriving at the Capitol, caterers must check in at the Facility Office located in the North Capitol Annex before bringing any equipment or items into the building. If a copy of the caterer's license is not on file with the Facility Office, a copy must be presented at this time.

Carts

Caterers may make arrangements with the Facility Office for carts to transport items from their vehicles to the event site. The North Capitol Annex entrance is equipped with at least one automatic door, which is activated by a push plate. Automatic door openers are to be used to open doors for carts. At no time are carts to be rammed into doors to force them open or to hold them open.

Surfaces

Caterers may not lean or place any item on wood or painted surfaces other than the floor or tables set up specifically for the purpose. No trays, serving stands, boxes, carts, or other item can be leaned against or touch the wainscot or other painted surfaces. The wainscot is soft wood painted to look like walnut; the marble wainscot is wood painted to look like marble; and the columns are iron painted to look like marble. The walls display every kind of painting technique of the Victorian age. What looks like walnut and marble is several layers of paint which can be easily chipped and expensive to repair. Caterers should instruct all staff to use extreme caution in order to protect these surfaces. **Caterers will be charged all costs required to repair decorative painted surfaces damaged by their staff.**

WEDDINGS

Can weddings be held in the Capitol? Yes, Section III-O of the *Procedures For The Use Of The Public Areas Of The Michigan State Capitol* provides:

Weddings may be held in the public areas (corridors and rotunda) of the ground or first floor of the Capitol. Weddings may be held between 8:00 a.m. and 8:00 p.m. Monday through Saturday. All facility costs, including but not limited to equipment, supplies, labor, and overhead, associated with the wedding shall be paid prior to the wedding ceremony by the individual(s) requesting the wedding be held in the Capitol.

All private functions or ceremonies, including weddings, are scheduled on a first-come, first-served basis. However, the following restrictions, which apply to all events as well as weddings, must be observed:

1. The Capitol belongs to all of the people of Michigan, and over 200,000 visit it annually. The Capitol is open to the public every day except Sunday and holidays. Tours are conducted continuously every half hour while the building is open. The rotunda on the first floor is most desired as a location for weddings, but this area is also the biggest highlight of every tour. Any ceremony planned for this area must take this fact into consideration. Priority is given to tourists and other visitors who have come (often from considerable distances) to see their Capitol.
2. If the wedding is held during normal business hours, the wedding **must not** disrupt the ordinary conduct of business in the Capitol, including tours and legislative sessions.
3. At no time can a wedding block entrance to or passage through the rotunda. A passageway must be maintained at all times through the rotunda to allow tours, staff, and other visitors to pass through and to allow people to safely exit the building during an emergency. There are four entrances to the rotunda and all four must remain open at all times. Likewise, the corridors surrounding the rotunda must remain open.

The rotunda is only 44 feet in diameter and can accommodate approximately 100 people if chairs are set up in three of its four quarters or quadrants. In addition, chairs can be set up in the adjacent corridors.

4. The Facility Director must approve all decorations, such as floral arrangements, before bringing them into the building. All items must be freestanding and cannot be attached to or leaned against any wall or other feature of the Capitol.
5. No signs or announcements may be posted on any surface of the Capitol.
6. None of the Capitol's furnishings may be moved. Also, nothing may be dragged over the marble and glass floors. All equipment must be carried into the rotunda or moved in carts approved by the Facility Director.
7. No sound amplification equipment may be used during normal business hours or when the legislature is in extended session. Since there is no way to confine noise to the rotunda itself, an effort should be made to keep sound levels as low as possible during normal building working hours.
8. No helium balloons, candles, or any other item that could be harmful to the Capitol may be used during the ceremony.

9. No food or beverages may be served unless the Executive Director of the Michigan Capitol Committee grants permission. If permission is granted, licensed caterers must provide the food or a food license must be obtained. (See *Procedures*, Page 8, for more information.) **No alcoholic beverages may be served or consumed.**
10. If chairs or other equipment are required for the ceremony, they can be provided for a fee by Capitol Facility Operations. Charges will also be made for the labor to set up and remove equipment. If equipment is procured elsewhere, it must be approved by and brought into the building and set up under the supervision of the Facility Director.
11. There are no dressing rooms or changing rooms in the Capitol for the wedding party other than the public rest rooms.
12. If the wedding is held after normal business hours or on the weekend, all guests must enter the building through the ground floor east and west doors. All other exterior doors will be locked. Wedding guests and the wedding party will not be allowed to roam the building. Guests will be confined to the area (that is, rotunda, first floor corridors, etc.) scheduled for the wedding.
13. Rice, birdseed, flower petals, etc. cannot be dropped or thrown on the property, either in the building or on the grounds. Bubbles cannot be blown or distributed to wedding guests in the building. Bubbles can be distributed and blown outside on Capitol Square.
14. **CHARGES:**
 - A. **Rehearsal Charges:** There is a standard fee for use of the facility and charge for staff required for the rehearsal. The total charge for a rehearsal will depend on length of the rehearsal and number of staff required.

Facility Charge: There is a standard facility use charge of \$100 for two hours' use of the facility.

Labor Charge: The standard labor fee will be charged and will start when the wedding party is scheduled to arrive and conclude when the wedding party has left the building. If the rehearsal is held at a time other than during a normal staff workday, there will be a minimum charge of three hours for each staff member required.
 - B. **Wedding Charges:** There is a standard fee for use of the facility and charge for staff required for the wedding.

Facility Charge: There is a standard facility charge of \$400 for three hours' use of the facility (\$500 for holidays, holiday weekend or period).

Labor Charge: The standard labor fee will be charged and will start when the equipment is set up and conclude when the wedding party and guests have left the building and equipment is put away. If the wedding is held at a time other than during a normal staff workday, there will be a minimum charge of three hours for each staff member required.

Equipment Charge: Charges for equipment (chairs, podium, public address system, etc.) will be at rates indicated on the **Capitol Public Event/Exhibit Scheduling Form**.
15. Free parking is available on weekends in the west Capitol parking lot (entrance off Allegan Street). Free parking is available Monday through Friday after 5:00 p.m.

Anyone interested in having a wedding at the Capitol is encouraged to consult the Capitol Events Coordinator, (517) 373-9617, well in advance.

LANSING AREA CONVENTION AND VISITORS BUREAU

A visitor center with information for your visit to the Greater Lansing area is located at Suite 200, 1223 Turner Street, Lansing, Michigan, 48906. The center is open Monday through Friday from 9:00 a.m. to 5:00 p.m., except major holidays.

Telephone: 888-2-Lansing or (517) 487-6800

Fax: (517) 487-5151

E-mail: **glcvb-info@lansing.org**

PRESS

Organizers may wish to notify the Capitol Press Corps of their event or exhibit by issuing a press release. There is a media room located in the Capitol on the ground floor in the west wing. All major and local press organizations (newspaper, radios, TV stations) have a box in the press room for news releases. A news release is the usual method by which the attention of the press can be directed to your event or point of view. It should be complete, informative, and clear, and should indicate the source of the information, the date, and the telephone number of a person to contact for further information.

Approximately 50 copies of press releases should be taken to the Capitol media room and placed in each of the Capitol Press Corps boxes.

In addition, you may wish to notify members of the Press Corps a few days in advance of your event through a press advisory. A press advisory is similar to a press release, but merely advises that your event will take place at the Capitol at a certain date and time. The advisory should contain the name of a contact person for additional information.

QUESTIONS

If you still have questions after reading this planner, please contact the Events Coordinator:

CITIZEN PARTICIPATION IN THE LEGISLATIVE PROCESS

In many cases, events are scheduled at the Capitol to support or oppose legislation being considered by the Michigan legislature. The following information may be of value to you. This section briefly outlines:

- * How a bill becomes a law.
- * How citizens can participate in the legislative process.

HOW A BILL BECOMES A LAW

1

A bill is introduced in either house of the Legislature. Senate bills are filed with the Secretary of the Senate and House bills are filed with the Clerk of the House.

2

The bill receives First and Second Reading in the Senate and First Reading in the House. (Procedure at this step consists of reading the title of the bill only.) The bill is ordered to be printed.

3

In the Senate, the bill is referred to the proper committee by the Majority Leader and in the House by the Speaker of the House. All bills involving an appropriation must be referred either directly to the Appropriations Committee of the respective chamber or to an appropriate standing committee and then to the Appropriations Committee.

4

Committee members consider a bill by discussing and debating the bill. The committee may hold public hearings on the bill. Voting records regarding committee action are available to the public for inspection.

5

The committee may act on a bill in various ways. The committee may:

- a) Report the bill with favorable recommendation;
- b) Report the bill with amendments with favorable recommendation;
- c) Report the bill with the recommendation that a substitute be adopted;
- d) Report the bill with adverse recommendation;
- e) Report the bill without recommendation;
- f) Report the bill with amendments but without recommendation;
- g) Report the bill with the recommendation that the bill be referred to another committee;
- h) Take no action on the bill;
- i) Refuse to report the bill out of committee.

In both houses, a majority vote of the members serving on a committee is necessary to report a bill. If a committee fails to report a bill, the bill may be forced out of the committee by a motion to discharge the committee from consideration of the bill. If the motion is approved by a vote of a majority of the members elected and serving in the respective house, the bill is then placed in position on the calendar for floor action. In the House, at least one day prior notice of the motion to discharge must be given to the Clerk of the House.

6

If the bill is reported from committee favorably with or without amendment or in the form of a substitute bill, the committee report is printed in the Journal under the order of business "Reports of Standing Committees." On being reported favorably from committee, the bill and committee amendments (if any) are placed on General Orders in the Senate. In the House, the bill and amendments are referred to the order of Second

Reading. Action may also be taken to place the bill on special order of business on General Orders in the Senate or on Second Reading in the House at a specified date. In the House, the bill may be considered on Third Reading, by a suspension of the rules, without having been considered on Second Reading.

The Senate resolves itself into the Committee of the Whole and the House assumes the order of Second Reading, where the standing committee recommendations on a bill are considered. Amendments to the bill may be offered by any member when the bill is being considered by the Committee of the Whole or on Second Reading. In the Senate,

a simple majority of members present and voting may recommend adoption of amendments to the bill and recommend that a bill be advanced to Third Reading. In the House, amendments may be adopted by a majority serving, and a majority voting may advance the bill to Third Reading. In the House, a bill may be placed on Third Reading on a specified date.

Upon Third Reading in the Senate, an entire bill is read unless unanimous consent is given to consider the bill read. In the House, the bill is read in its entirety on Third Reading unless four-fifths of the members consent to consider the bill read. In practice, few bills are read in full in either chamber. In both houses, amendments on Third Reading must be approved by a majority vote of members serving. In both the Senate and the House, debate may be cut off by a vote of a majority of the members present and voting. At the conclusion of Third Reading, the bill is either passed or defeated by a roll call vote of the majority of the members elected and serving (pursuant to the State Constitution, approval of certain measures requires a two-thirds vote or, in some instances, a three-fourths vote) or one of the following four options is exercised to delay final action on the bill: (a) the bill is returned to committee for further consideration; (b) the bill is postponed indefinitely; (c) the bill is made a special order of business on Third Reading for a specified date; or (d) the bill is tabled.

Following either passage or defeat of a bill, a legislator may move for reconsideration of the bill. In the Senate, the motion for reconsideration must be made within the following two session days; in the House, the motion must be made within the next succeeding session day.

If the bill passes, it is sent to the other legislative house where the bill follows the procedure outlined in Steps 2-8, resulting in defeat or passage.

If the bill is passed by both houses in identical form, the bill is ordered enrolled by the house in which the bill originated. Upon enrollment, the bill is sent to the Governor.

However, if the bill is passed in a different form by the second house, the bill must be returned to the house of origin:

a. If amendments or a substitute bill of the second house are accepted in the house of origin, the bill is enrolled and sent to the Governor.

b. If amendments or a substitute proposal of the second house are rejected in the house of origin, the bill is then sent to a conference committee (special committee composed of legislators from both houses) which attempts to compromise differences between the two versions of the bill adopted by the houses. The conference committee can consider only issues in the bill upon which there is disagreement between the two houses. The conference committee may

reach a compromise and submit a report to both houses of the Legislature. Such a report is not subject to amendment. If the conference committee report is approved by both houses, the bill is enrolled and sent to the Governor. If the conference committee does not reach a compromise, or if the Legislature does not accept the conference committee report, a second conference committee may be appointed.

Upon receipt of an enrolled bill, the Governor has fourteen days to consider the bill. The Governor may:

10

a. Sign the bill, which then either becomes law at the expiration of ninety days after the Legislature adjourns sine die, or a date beyond the ninetieth day specified in the bill. If the bill has been given immediate effect by a two-thirds vote of the members elected to and serving in each house, the bill will become law at the time of the Governor's signature, or on a day specified in the bill.

b. Veto the bill and return it to the house of origin with a message stating the Governor's objections.

c. Choose not to sign or veto the bill. If the bill is neither signed nor vetoed, the bill becomes law fourteen days after having reached the Governor's desk if the Legislature is in session or in recess. If the Legislature should adjourn sine die before the end of the fourteen days, the unsigned bill does not become law. If the Legislature has adjourned by the time the bill reaches the Governor, he or she has fourteen days to consider the bill. If the Governor fails to approve the bill, it does not become law.

If the Governor vetoes a bill while the Legislature is in session or recess, one of the following actions may occur:

11

a. The Legislature may override the veto by two-thirds vote of members elected and serving in each house, and the bill becomes law.

b. The bill does not receive the necessary two-thirds vote and thus the attempt to override the veto will fail.* at the end of the year

How Citizens Can Participate in the Legislative Process

It is important in a democracy that citizens help keep their legislators informed. In order to be true representatives of the people, legislators need to know the thinking of their constituents on those issues upon which decisions will be made and the facts on which such thinking and conclusions are based. As a citizen, you can help obtain good legislation on state and national levels by communicating with your elected representatives at the proper time.

IS THERE A BILL OR AN ISSUE OF PARTICULAR CONCERN TO YOU? ORGANIZE!

Forming a group to lobby for or against legislation is often more effective than individual efforts. A group is far more visible, has greater resources, and carries more political weight.

Organize a group of friends, co-workers, or neighbors around a specific issue of concern to all of you. Define your goals . . . identify tasks that are part of the plan . . . divide the work. (For instance, one person can research available material, another can keep track of the bill, several can attend all committee meetings, several can personally meet with the legislator, etc.) . . . keep informed.

It is best for the group to meet informally or socially with legislators even before the group has specific legislative requests to make. Professional lobbyists specifically suggest this kind of personalized, informal contact. Friendly, personal acquaintance and help at campaign time form a strong basis for personal or group lobbying efforts. If you are interested in becoming actively involved in influencing legislation, here are some important points that will make your lobbying efforts more effective:

1. Before contacting any legislators, take the time to read all available background material on the bill or issue which concerns you. Although it is obviously beneficial for you to know a great deal about the specifics of bills and issues, it is not essential that you know everything. The primary goal of your visit is to express your concern over a particular bill or issue.

2. Know when and where to contact a legislator. Daily sessions are usually held at 10:00 a.m. Tuesday, Wednesday, and Thursday for the Senate. In the House session begins at 2:00 p.m. on Tuesday and Wednesday, and at 1:00 p.m. on Thursday. Session times and schedules vary, depending upon the workloads of the House and Senate. At certain times of the year, such as when a deadline approaches or when there is some crisis, it is not unusual for session to last well into the night or even around the clock. During the rest of the week, legislators are generally in their districts.

Occasionally, legislators will be able to see you if you simply walk into their office, but the best approach is to call ahead and make an appointment. Let the legislator know what you wish to discuss. If you cannot get an appointment, or if the matter is too urgent to wait for an appointment, do not hesitate to go to the office anyway. You may be able to talk to an aide, and you will have made them aware of your concern.

3. If you have genuine expert knowledge, share it with the legislator. It will be welcomed. No legislator can be an expert on everything. All views are important, but expertise is especially valued. Remember, any lobbyist's most useful role for a legislator is as a source of information. If you have read the bill carefully and/or understand the issues involved as a result of personal knowledge or research, you may be of great assistance to the legislator.

4. Be constructive. If a bill deals with a problem you admit exists, but you believe the bill is the wrong approach, explain what you believe is the right approach. If you want to suggest amendments to a bill that has been introduced, it is important that you have: (a) a clear idea of what you want to be included or deleted; (b) the reasons to justify the proposed change; and (c) good, strong facts to back up your position before you contact your legislator. If possible, leave copies of your position and/or suggested changes with the legislator.

5. It is usually a waste of time to lobby legislators who are already supporting your position, although they may be helpful in making suggestions for your lobbying efforts.

6. You do not need a crowd to lobby. One, or possibly two, well-informed lobbyists on the same subject are more effective and less confusing than a large group at the same time.

7. When you introduce yourself, save time by making it clear who you are and what organization, if any, you are working with. If you are cooperating with some group from the legislator's home district, mention it, and the fact that the home district group may also be trying to reach the legislator.

8. Do not "overkill." Most legislators have many demands on their time. An elaborate sales job or long, emotional speech will not be appreciated. They do, however, want your well-prepared facts and views, presented in a straightforward manner. Make sure their time is well spent in talking to you. Stick to the issues that you came to discuss; don't wander into other issues.

9. It is easy, particularly when dealing with legislators who disagree with you, to become angry and frustrated. If you disagree, a calm, reasonable attitude and a set of well-prepared reasons for your position may change their minds on the issue. It is generally advisable not to get into arguments which may trigger prejudices. Remember, you may not have all the facts on an issue or bill.

Let legislators explain their views—listen without interrupting—they often have input from many resources to which you may not have access, such as fiscal agencies, state departments, other groups with expertise on the issue and legislation from other states.

Take a few notes about their comments, noting any questions they have. Give the answers you know, and offer to get the others, if possible. Understanding their views of the facts and where they come from will help your organization develop counterarguments.

10. Don't demand a commitment before the facts are in. Give your legislator a fair chance to examine all sides of an issue.

The legislative process is very complex and bills change their shape in committee and on the floor of both houses of the Legislature. A bill rarely becomes law in the same form as introduced. It is possible that the bill you supported originally is so changed in the process that you would oppose its final form.

A legislator may be forced to vote on the bill as a whole, weighing the good with the bad and the needs of all constituents and/or the state as a whole, rather than a particular group or individual.

LETTER WRITING

A personal letter is usually the most effective way of contacting your legislator, whether in Lansing or Washington. If you're new at this type of letter writing, here are some suggestions on how your letters can be most effective:

1. **Address it properly:** Know your legislator's full name and correct spelling. Here are some examples:

STATE SENATOR
The Honorable (full name)
State Senator
State Capitol
P.O. Box 30036
Lansing, MI 48909-7536
Dear Senator (last name):

STATE REPRESENTATIVE
The Honorable (full name)
State Representative
P.O. Box 30014
State Capitol
Lansing, MI 48909-7514
Dear Representative (last name):

2. **Always include your last name and address on the letter itself** (printed or typed). A letter cannot be answered if there is no return address or the signature is not legible.

3. **Use your own words.** Avoid form letters and petitions. They tend to be identified as organized pressure campaigns, and are often answered with form replies. However, a petition does let the legislator know that the issue is of concern to a large number of people (addresses with zip codes should be given for each signature). One thoughtful, factual, well-reasoned letter carries more weight than 100 form letters or printed postcards.

4. **Time the arrival of your letter.** Try to write to your legislator, and the chairperson of the committee dealing with a bill, while a bill is still in committee and there is still time to take effective action. Sometimes a bill is out of committee, or has been passed, before a helpful, informative letter arrives which could have made a difference in the way the bill was written or in the final decision.

5. **Know what you are writing about.** Identify the bill or issue of concern to you. Thousands of bills and resolutions are introduced in each session. If you write about a bill, try to give the bill number or describe it by popular title, such as “Land Use Bill,” or “Mechanics Licensing.”

6. **Be reasonably brief.** Many issues are complex, but a single page, presenting your opinions, facts, arguments or proposals as clearly as possible, is preferred and welcomed by most legislators.

7. **Give reasons for your position.** Explain how the issue would affect you, your family, your business or profession, or the effect on your community or our state. If you have specialized knowledge, share it with your legislator. Concrete, expert arguments for or against the bill can be used by the legislator in determining the final outcome of the bill.

8. **Be constructive.** If a bill deals with a problem you admit exists, but you believe the bill is the wrong approach, explain what you believe to be the right approach.

9. **Groups and individuals should determine their priority concerns** and contact the legislator on those specific issues rather than on every issue. The “pen pal” who writes every few

days on every conceivable subject tends to become a nuisance, rather than an effective voice of concern.

10. **You may not always receive a long, detailed response to your letter.** Legislators are very busy and usually cannot respond with long, personal replies to each correspondent.

11. **Write a letter of appreciation** when you feel a legislator has done a good job. Legislators are human too and seldom receive “thank you” letters of encouragement.

Remember, on any particular issue, even a few letters to one legislator can have an important impact. Sometimes just one letter, from a new perspective or with clear-cut, persuasive arguments can be the decisive factor in a legislator’s action.

If you decide you want to be further involved in the future of a particular bill, **keep track of the bill.** Consider testifying on it before a committee. There may also be a public hearing on it in your area.

TESTIFYING BEFORE A COMMITTEE

If you become aware that a particular bill of interest to you has been introduced, **KEEP TRACK OF IT.** Find out from the Clerk of the House, the Secretary of the Senate or an interested organization which committee the bill was referred to. You may want to write to the chair of that committee requesting that the bill be put on the agenda or scheduled for a hearing. (Be sure you send your name, address, and telephone number.) Sometimes only a volume of letters on a particular bill will assure that it receives a committee hearing, since not all bills are “automatically” considered—many die without ever having been considered by a committee.

It is important to note that attention given to bills in regular committee meetings may not be as extensive as in a public hearing because of time limitations. A committee may be regularly scheduled to meet for an hour, and may need to consider 3 or 4 bills during that time. A public hearing, on the other hand, may hear testimony on a single issue for several hours. However, only major pieces of legislation, or bills in which there

is widespread interest, will normally be scheduled for public hearings.

When a bill is scheduled on the committee agenda for consideration, and if you have an active interest in the legislation and feel there are contributions you can make to the committee process, you may decide to testify at either a meeting or a hearing. The purpose of testimony given should be informational so that committee members can vote on the bill with as full an understanding as possible of all sides of the issue it addresses, and the consequences of its passage. In a meeting, the sponsor, experts on the problem, and informed members of the public will normally be heard. If the measure is controversial or additional information is needed before a decision can be reached by the members, most committees will gladly put the bill over to a future meeting or even a public hearing.

If you find out about a bill after it has passed in its house of origin, you still may have the opportunity to be heard before the committee in the other house to which it has been referred.

The following guidelines are suggested to assist citizens in making their testimony influential and effective:

1. **Write** to committee members and to your own legislator, simply expressing support or opposition to the legislation. (See letter writing section.)

2. **If you decide to testify**, notify the committee as soon as possible of your desire and, as a courtesy, let your legislators know that you have asked for time to present testimony.

3. **If you represent a group of individuals or an organization**, choose one person to present the group's point of view and bring others along as supporters. (No committee wants to hear the same testimony over and over.)

4. **Prepare testimony and/or suggested amendments in advance.** Read the bill carefully and any available analyses. Do research, if necessary; be sure that all your facts, background material, and figures are accurate. Consult with

others to determine the scope of the issue and clarify what you, or the group, want to cover in your testimony.

5. **Prepare a clear, concise written statement** which has been thoroughly proofread for errors and review it with others who have the same interest.

6. **When you testify**, identify who you are and, if you represent a group, give the name of the group. At the beginning of your remarks, state whether you are testifying in support or opposition of the proposal or bill. Relate your group's or your own experience or views directly to the issue.

7. **Keep your testimony short and to the point.** If your testimony is lengthy and complex, it is best to offer highlights at the hearing and request permission to place your complete position and supporting material in the record. Anything you present in writing will be placed in the committee members' files and will be available to them at any future meetings. If possible, have copies of testimony available for committee members and staff.

8. **Avoid emotional speeches and propaganda.** Your role is an important one—don't abuse it. This is the surest way to invite a hostile reaction and alienate the very committee members you are trying to persuade to your point of view.

9. **If you are asked a hostile question**, keep a cool head. Don't be afraid to stop and think for a minute to answer a question properly. If you don't have the answer, never guess—request permission to file a detailed response at a later date.

Without the support of the committee involved, the bill or proposal you are interested in may never make it to the floor to be voted on. Even if you prefer not to testify, your attendance at a hearing and personal correspondence with committee members and your own legislators are important in influencing the decision-making process.

CAPITOL PUBLIC EVENT/EXHIBIT SCHEDULING FORM

PLEASE PROVIDE THE FOLLOWING INFORMATION

Name of Event: _____ Expected Number in Attendance: _____

Brief Description of Event and/or Exhibit: _____

Name of Sponsoring Organization: _____

Contact Person: _____

Street Address: _____

City, State and Zip: _____

Telephone Number: (____) _____ Fax Number: (____) _____

Name of Back-Up Person: _____

Street Address: _____

City, State and Zip: _____

Telephone Number: (____) _____ Fax Number: (____) _____

Event Date:	_____ Month	_____ Day	_____ Year	_____ Start Time	_____ End Time
--------------------	----------------	--------------	---------------	----------------------------	--------------------------

Exhibit: (Beginning Date)	_____ Month	_____ Day	_____ Year	_____ Start Time
Exhibit: (Ending Date)	_____ Month	_____ Day	_____ Year	_____ End Time

AREA(S) REQUESTED

What area(s) are you requesting for your **Event**?

_____ Front East Steps and East Lawn
 _____ Ground Floor Rotunda
 _____ First Floor Rotunda
 _____ First Floor Rotunda and West Wing
 _____ First Floor Corridors
 _____ Other _____

What area(s) are you requesting for your **Exhibit**?

_____ East Lawn
 _____ Room 53
 _____ Room 55

AUDIO

Are you planning to use the Public Address System? _____ Yes _____ No

If **yes**, what time will you be using the Public Address System? From _____ to _____

EXHIBITS

Is a clear layout scale drawing or sketch of the proposed exhibit attached? _____Yes _____No

Are the dimensions of the space required indicated on the drawing or sketch, as well as the manner in which the exhibit will be mounted or displayed? _____Yes _____No

FOOD AND BEVERAGES

Will food or beverages be served?

(See page 8, Section G I-4.)

If **yes**, please give details on what will be served _____

Is the food being provided by a licensed caterer? _____Yes _____No Setup time? _____ (a.m. or p.m.)

If **yes**, please list name and phone number of caterer.

Caterer Name _____ Telephone Number: (____) _____

Is a copy of the food license enclosed? _____Yes _____No

If **no**, when do you plan to submit a copy of the license to the Facility Director? _____

CANDLES

Are you planning on using candles during your event? _____Yes _____No (See page 32.)

If **yes**, please be aware that if wax is dropped on sidewalks and steps, you will be charged for the removal.

CANCELLATION

If your event is outside, will you cancel in case of rain or inclement weather? _____Yes _____No

TENTS AND EQUIPMENT

Do you desire to erect any tents, canopies, or shelters? _____Yes _____No

Tent piers have been embedded in the lawn to accommodate the following tent sizes:

South side of lawn: 40 x 40 foot tent and 40 x 60 foot tent

North side of lawn: 30 x 30 foot tent and 30 x 60 foot tent

Remember: All canopies and shelters must be **freestanding**.

If **yes**, please list number, type, size, and description. _____

Please list name and telephone number of the company supplying the tent.

Company Name _____ Telephone Number (____) _____

Do you desire to erect any equipment or props? _____Yes _____No

If **yes**, please list and give description. _____

BANNER

Are you planning to display a banner across the front steps? _____Yes _____No

(See page 31 for dimensions.)

VEHICLE PARKING

Are you planning on parking a large vehicle in front of the chains at Michigan and Capitol Avenues?

_____Yes _____No

If **yes**, what time will the vehicle be arriving? _____

RATE SHEET

Will equipment or services be needed from Capitol Facilities? ____ Yes ____ No

If **yes**, which of the following equipment is needed:

EQUIPMENT	NO. AVAILABLE	CHARGE PER ITEM	NO. NEEDED	FOR OFFICE USE ONLY
Banner Poles	3	15.00 per set		
Chair (<i>folding</i>)	150	1.00		
Chain dropped for vehicle parking		25.00		
Coat Rack (<i>includes hangers</i>)	5	15.00		
Easel	15	<i>max. \$20 a wk.</i> 4.00		
Electricity (<i>120 volt plugs</i>)		5.00		
Flag	1 National 1 State	2.50 per flag	____ National ____ State	
Podium	1	30.00		
Public Address System (<i>electric included</i>)	1	40.00		
Table (<i>folding</i>)	6 - 6' x 18" 15 - 6' x 30" 7 - 60" round	<i>max. \$30 a wk.</i> 7.00	____ - 6' x 18" ____ - 6' x 30" ____ - 60" round	
Tablecloth (<i>Royal Blue</i>) 54"x 96" *	10	3.25		
Table Skirt (<i>Royal Blue</i>)*	10	12.00		
Fitted Tablecloth w/skirt (<i>use on 30" x 72" table</i>)*	12	12.00		
Tabletop Lectern	1	12.00		
Tent Setup Charge (<i>Inserting and removing eyelets in tent piers</i>)	(<i>See Page 28</i>)	25.00		
Trash Can	4	2.00		
*(<i>Indoor use only</i>) EQUIPMENT TOTAL				
WEEKDAY RATE (Unless Specified by the Executive Director of the Capitol Committee) \$25.00 Per Hour - LABOR				
WEEKEND RATE (Calculated by Number of People Attending Your Event) \$30.00 Per Hour - LABOR				
HOLIDAY RATE (Rate Determined by Executive Director of the Michigan Capitol Committee, Calculated by Number of People Attending Your Event)				
If you are a State agency, will you be inter-accounting your bill? ____ Yes ____ No				
<u>Payment in Full Must Be Received Before the Date of Your Rally or Event.</u>				TOTAL

The above rate will be charged per person for labor to erect, operate, and remove the public address system provided by the State. **In addition**, there will be a one-half hour labor charge prior to the event and a one-half hour labor charge after the event for setting up and taking down the public address system equipment.

Notes on the Public Address System

In the event of inclement weather (re: rain, snow, hail, mist, etc.), for safety reasons and to prevent damage to the equipment, the public address system will not be provided or will be removed if such weather occurs during the event. If the equipment can be sheltered under the portico (top of east steps), it will be moved to that location so the program can continue.

The system has the capability of more than one microphone and plays cassettes and CDs. No equipment (i.e. band, additional mikes, etc.) can be hooked into the State Public Address System.

I acknowledge that as sponsor of this event or exhibit:

I have read, understood, and will abide by the procedures governing the use of the public areas of the Capitol.

The sponsor is responsible for damages incurred as a result of the event or exhibit.

The sponsor will either restore or pay to have restored the area used for the event or exhibit.

The sponsor will indemnify and hold harmless the State of Michigan for damage or loss to the State arising out of the sponsor using the Capitol or the Capitol grounds.
